

2018 Application for U S Figure Skating Tests

Please use Entry-eeze to register for test sessions. Go to <http://comp.entryeeze.com/Membership/Welcome.aspx?cid=125>. At the top left of the screen, click on the blue box that says “non-member” registration. (Do not set up or log into your Entry-eeze account, even if you have one.) Continue on to input the skater’s information, test requested. Payment methods are similar to most e-commerce sites. If you use this preferred method you do not need to contact the Test Chair or send an application by mail. Notices and schedules will go out via email to the registered skater and their coach. For figure tests contact the club’s test chair. Once the application deadline has passed there are **NO REFUNDS** unless the skater cannot be accommodated on a selected test session.

New for 2018: Skaters over 18 years old that are partnering skaters under 18 in dance or pairs must pass a USFS background check. Enter that data into Entry-eeze with your application. Some test fees have increased to cover increased costs.

Most test sessions will be limited to 2 hours. If there isn’t adequate time to schedule all requested tests the later applicants will be bumped to the next local test session. The test chair will e-mail the applicant and coach notifying them of the change. If acceptable the applicant will have scheduling priority on that test session. They do not need to re-apply for the test. If the applicant has an issue with that test session they may choose to be bumped to another later test session of their choice. If none of the upcoming test sessions is acceptable the applicant may request a refund.

The backup system is to fill out this form and mail it to the HOST club’s test chair with a check made out to the host skating club’s name spelled out in full. Please print legibly. Applications must be received on or before the deadline date.
